

## **Cecil Alliance Church Kids' Club**

***Welcome! At Cecil Alliance Church, we LOVE kids! We want to see them GROW in their love for Jesus and God's Word.***

### **Basic Information:**

- We will provide a kids' club at our facility outside and in designated spaces inside on Wednesday evenings from 6:30-7:30 p.m. Starting date is September 16.
- Kids sit with their small group divided by age groups with one adult leader and a teen helper. Chairs will be sufficiently distanced.
- Club time includes a few songs, story/skit, discussion and prayer, small group time, game and craft (see schedule below).
- Parents may opt to pick up an activity kit if they wish to teach their own club time at home.

### **Meeting health concerns:**

- There will be a cleaning team to prepare the facility between Sunday service and Wednesday evening club.
- We will follow state health guidelines to the best of our ability. While we will work hard to maintain social distancing and clean surfaces, we cannot promise a germ-free environment.
- Do not send your child if he/she is feeling ill, has had a fever within the previous 24 hours, has a cough, diarrhea, is vomiting or if anyone in the household is ill. If your child shows symptoms of illness, we will contact you to take him/her home.
- If anyone who has attended kids' club tests positive for covid, we will notify parents.
- Leaders will wear face shields or masks when indoors and will do so outside when they are closer than 6 feet from others. It is the parent's responsibility to send a mask for your child to use when they are indoors. If your child has issues that prevent mask use, please send a note. Parents should wear masks when interacting with leaders if closer than 6 feet of distance or if they happen to be indoors.

- We will limit entry to the facility to just kids and leaders and seek to keep interaction within small groups. We ask that no parents enter the facility so we can limit social contact (unless your child needs a parent near to help assimilate to the group).
- We will clean bathroom surfaces between groups.

### Meeting safety concerns:

- You can be assured that we have leaders who have passed criminal background checks and all rooms are video recorded.
- As usual, parents will complete a registration form listing contact information and emergency numbers.
- Please note the drop off and pick up places on the schedule below.

### Curriculum:

Our curriculum is the Life of Jesus and each small group will participate in three 20 minute segments. We plan to have 3 small groups: preschool, K-1st, and 2nd-5th. The curriculum provides a take-home sheet so that families can further discuss the theme throughout the week.

1. Game time - kids will play a game that has to do with the theme of the evening. They will also have time to play in the park behind the church. Helpers will clean the playground equipment surfaces between groups. Kids will wash their hands before moving to the next area. After cleaning their hands, kids will have a drink and/or snack - all food and drink items will be store prepared and wrapped separately. When the weather doesn't cooperate, we will provide game and play time for each group in their small group area.
2. Small group time - kids will meet with their leader around double tables with chairs set up at a distance. Surfaces will be cleaned in advance and windows and doors will be open to provide good ventilation. Students will have their own box of supplies. The leader will discuss the evening's theme with the children, the group will pray together and make a craft. Preschool will meet downstairs at small tables in the large room and play in the nursery. Nursery toys will be cleaned before each session. K-1st kids will meet in the old library and 2nd-5th grade will meet in the back of the sanctuary.
3. Story time - We will have songs, puppets, a story, memory verse and learning games. This time will be shortened for the preschool group. We will provide the story time for each group in their small group area.

Schedule:

6:20-6:30	<u>Preschool</u> Drop off at front door Get parent tag/child sticker	<u>K-1st grades</u> Drop off by back steps Get parent tab/child sticker	<u>2nd-5th grades</u> Drop off at the park Check in with leader
