

# MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

## Escape the Room Lesson 1

### THIS WEEK'S LESSON: FOLLOW THE CLUES

#### IN THE CAR:

Ask your child what they learned about this week on the drive home:

We might want to blame God when we find ourselves being tempted, but we need to understand that temptation to sin does not come from God. If we follow the clues, we will see where temptation truly comes from. James 1:13-18, Temptation

#### HANGING OUT:

Make this week's lesson real:

Watch a mystery movie, or play a game of clue with the kids. Work together to try to solve the mystery in the movie or in the game. Ask your kids what clues tell them that sin comes from our own desires, and ask them what clues can warn us when we are being tempted?

#### AT DINNER:

Here are some great discussion starters:

- Does God tempt people to sin? Why or why not?
- Where does temptation come from?
- How can we recognize temptation and escape from it?

#### AT BEDTIME:

Quiz your child on this week's memory verse:

*"I have hidden your word in my heart so that I won't sin against you." Psalm 119:11 (NirV)*

#### PARENT TIME:

What you need to know:

Escaping temptation starts with recognizing the source. God does not tempt us. Temptation begins with our own selfish desires. Ask God to help you and your kids recognize your own selfish motives so you can see the clues and escape from temptation.
